BOSTON F.R.

DESCRIPTION

Boston F.R. is a flame-retardant basic voile curtain. Thanks to a subtle weave effect, the fabric looks very rich. This sheer fabric hangs smoothly and the weight cord at the bottom allows it to fall perfectly into the pleat. Boston F.R. is available in a range of natural and deep luxurious colours, making it suitable for any room and compatible with any curtain. As much as 55% of its composition comes from recycled PET bottles.
