

QUALITY BENEFITS

Flame retardant | Room high | Degrade pattern

ENVIRONMENTAL BENEFITS

Made with recycled PET | Fully recyclable | No use of environmentally harmful dyes | Water saving print | Complies with REACH and BSCI regulation

STANDARD 100 2105107 Centexbel

FLOW F.R.

DESCRIPTION

Flow F.R. is a transparent curtain for that spices up any interior. We took the inspiration for this print from glazed mugs. The eye-catching underside has a flowing colour gradient (degrade) towards the top. Attached to the bottom is a weight cord in a matching colour. This makes the fabric hang beautifully and shows off the pattern to its best advantage.
