## OASIS F.R.

### DESCRIPTION

Oasis is a rich semi-transparent curtain fabric which drapes smoothly. Oasis is woven with yarns of uneven thickness and in several different colors, both horizontally as vertically. This gives Oasis a deep lively and rich look. Thanks to the multi-colored yarns, it particularly stands out for its exceptionally good color combinations with other shades in a room. Oasis has a slightly shiny appearance, which gives the fabric an iridescence. The transparent glaze also enhances the rich color depth. The fabric can be used on both sides.
